EuroChallenge Final Four 2014

Dear Mr Nyerges,

Although your team did not manage to reach the final game of the EuroChallenge, we would like to personally thank your fans on behalf of FIBA Europe for the great atmosphere that they created in the gym.

They displayed their passion for basketball for the entire weekend in an appreciative sporting manner.

Thank you once again for contributing to make this basketball event a success.

Best regards,

Cyriel Coomans
Acting President
